

# Fondant

*Natural Flavour Fondant in a range to suit all applications.*

Our fondant has a traditional and consistent quality. It is very easy to use, has a good tolerance and can be frozen. It will set well and retain a beautiful shine. You can add your own colour and flavour to enhance your products and give them an individual tailor-made quality. Water/syrup can also be added for other applications, with an optimum processing temperature of 40°C - 45°C.
